

PowerFlo LX™

ABOVE-GROUND POOL PUMP SERIES

- Designed specifically for the rigors of above-ground and on-ground-type swimming pools
- Provides dependable, energy-efficient performance and quiet operation
- Extra-large debris basket keeps pool maintenance to a minimum
- Clear cover lets you see exactly when the basket needs cleaning

The industry standard for value and performance

The Hayward PowerFlo LX™ pump series is designed specifically for the rigors of above-ground and on-ground-type swimming pools. Featuring a heavy-duty motor, PowerFlo LX offers dependable performance and quiet operation. An extra-large debris basket keeps pool maintenance to a minimum, letting you enjoy your pool more. Dependable, quiet and energy efficient, the PowerFlo LX pump series continues to set the standard for value and performance.
